Important Information:

Please Register Early: A minimum number of participants is needed one week prior to the start date in order to run a club. Class size is also limited and many clubs fill quickly. Registrations will only be confirmed via email. There will be a \$15 processing fee for all refunds given prior to the club start date. Refunds are not permitted once a session has begun. We are unable to pro-rate for any reason including registering after the start date.

Late Fee Policy: Parent is responsible for child's attendance and prompt pick-up. Late pick-ups are subject to additional fees of \$5 at 10 min. late and \$1 per min. after.

Cancellations: In the event of inclement weather or other emergencies, Science Explorers will follow your school's dismissal procedure. If a class is cancelled due to weather or other circumstances beyond our control, Science Explorers is unable to provide a refund; however we will make every effort to reschedule, add an extended session or offer a virtual option if possible. We are unable to issue a refund if your child cannot attend a make-up date.

Want to get in on the fun? Many clubs use parent helpers to assist each week in exchange for FREE club tuition. If you are interested and have all of the background checks required by your school, please email us at : parenthelper@scienceexplorers.com (Please make sure you are available to help for each of the dates in any given club topic. Thank you!)

By registering your child you grant permission and release Science Explorers and its affiliates from any and all liability relating to or arising from Science Explorers after-school club program.
